FILM AND TELEVISION

TimothyEverest is a unique tailoring brand, established in the heart of Spitalfields, East London - established in 1989.

With retail locations situated in sophisticated Mayfair and vibrant Shoreditch, and an Atelier in Shoreditch, this modern menswear brand seamlessly fuses traditional Bespoke tailoring with contemporary designs and fabrications creating beautifully crafted pieces for every man's wardrobe.

The brand offers Bespoke, Made-to-Measure and Ready-to-Wear options, from sharply tailored 3 piece suits, to soft unstructured jackets and anything in between. Each and every TimothyEverest® piece offers a subtle quirk to suit the needs and lifestyle of the wearer.

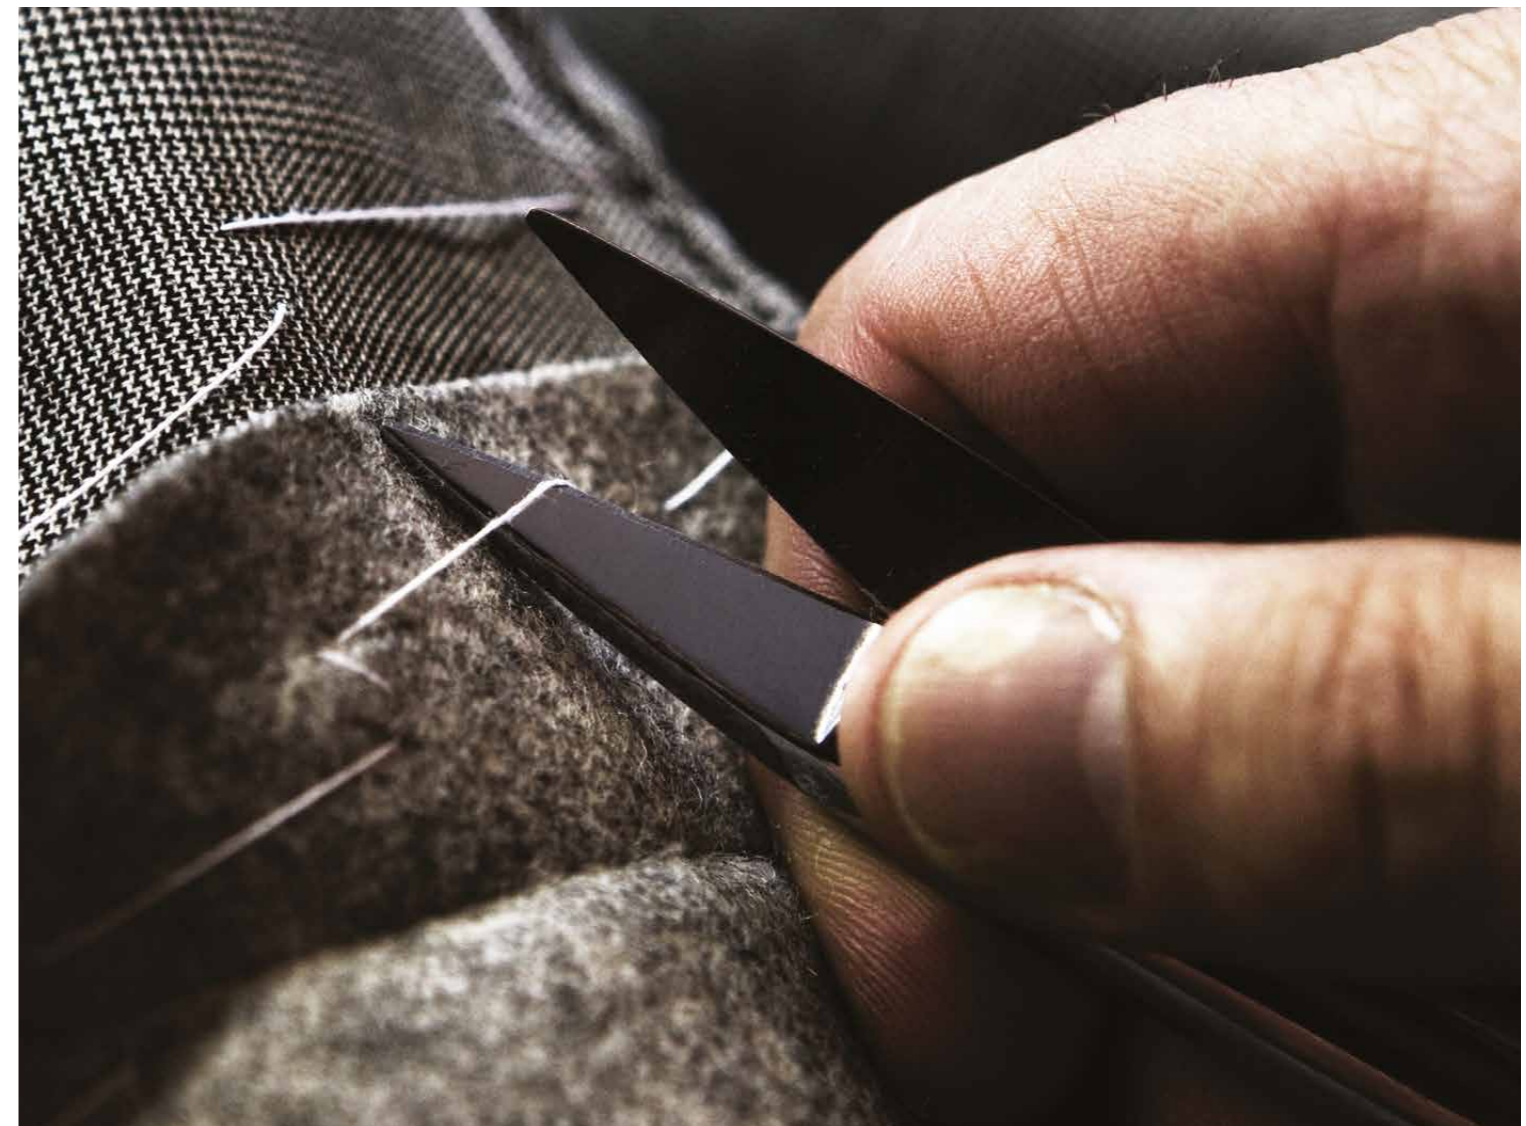

TimothyEverest® is a brand that reaches beyond traditional limits of age and profession; a uniting thread at the heart of all clients is their inner creativity and spirit.

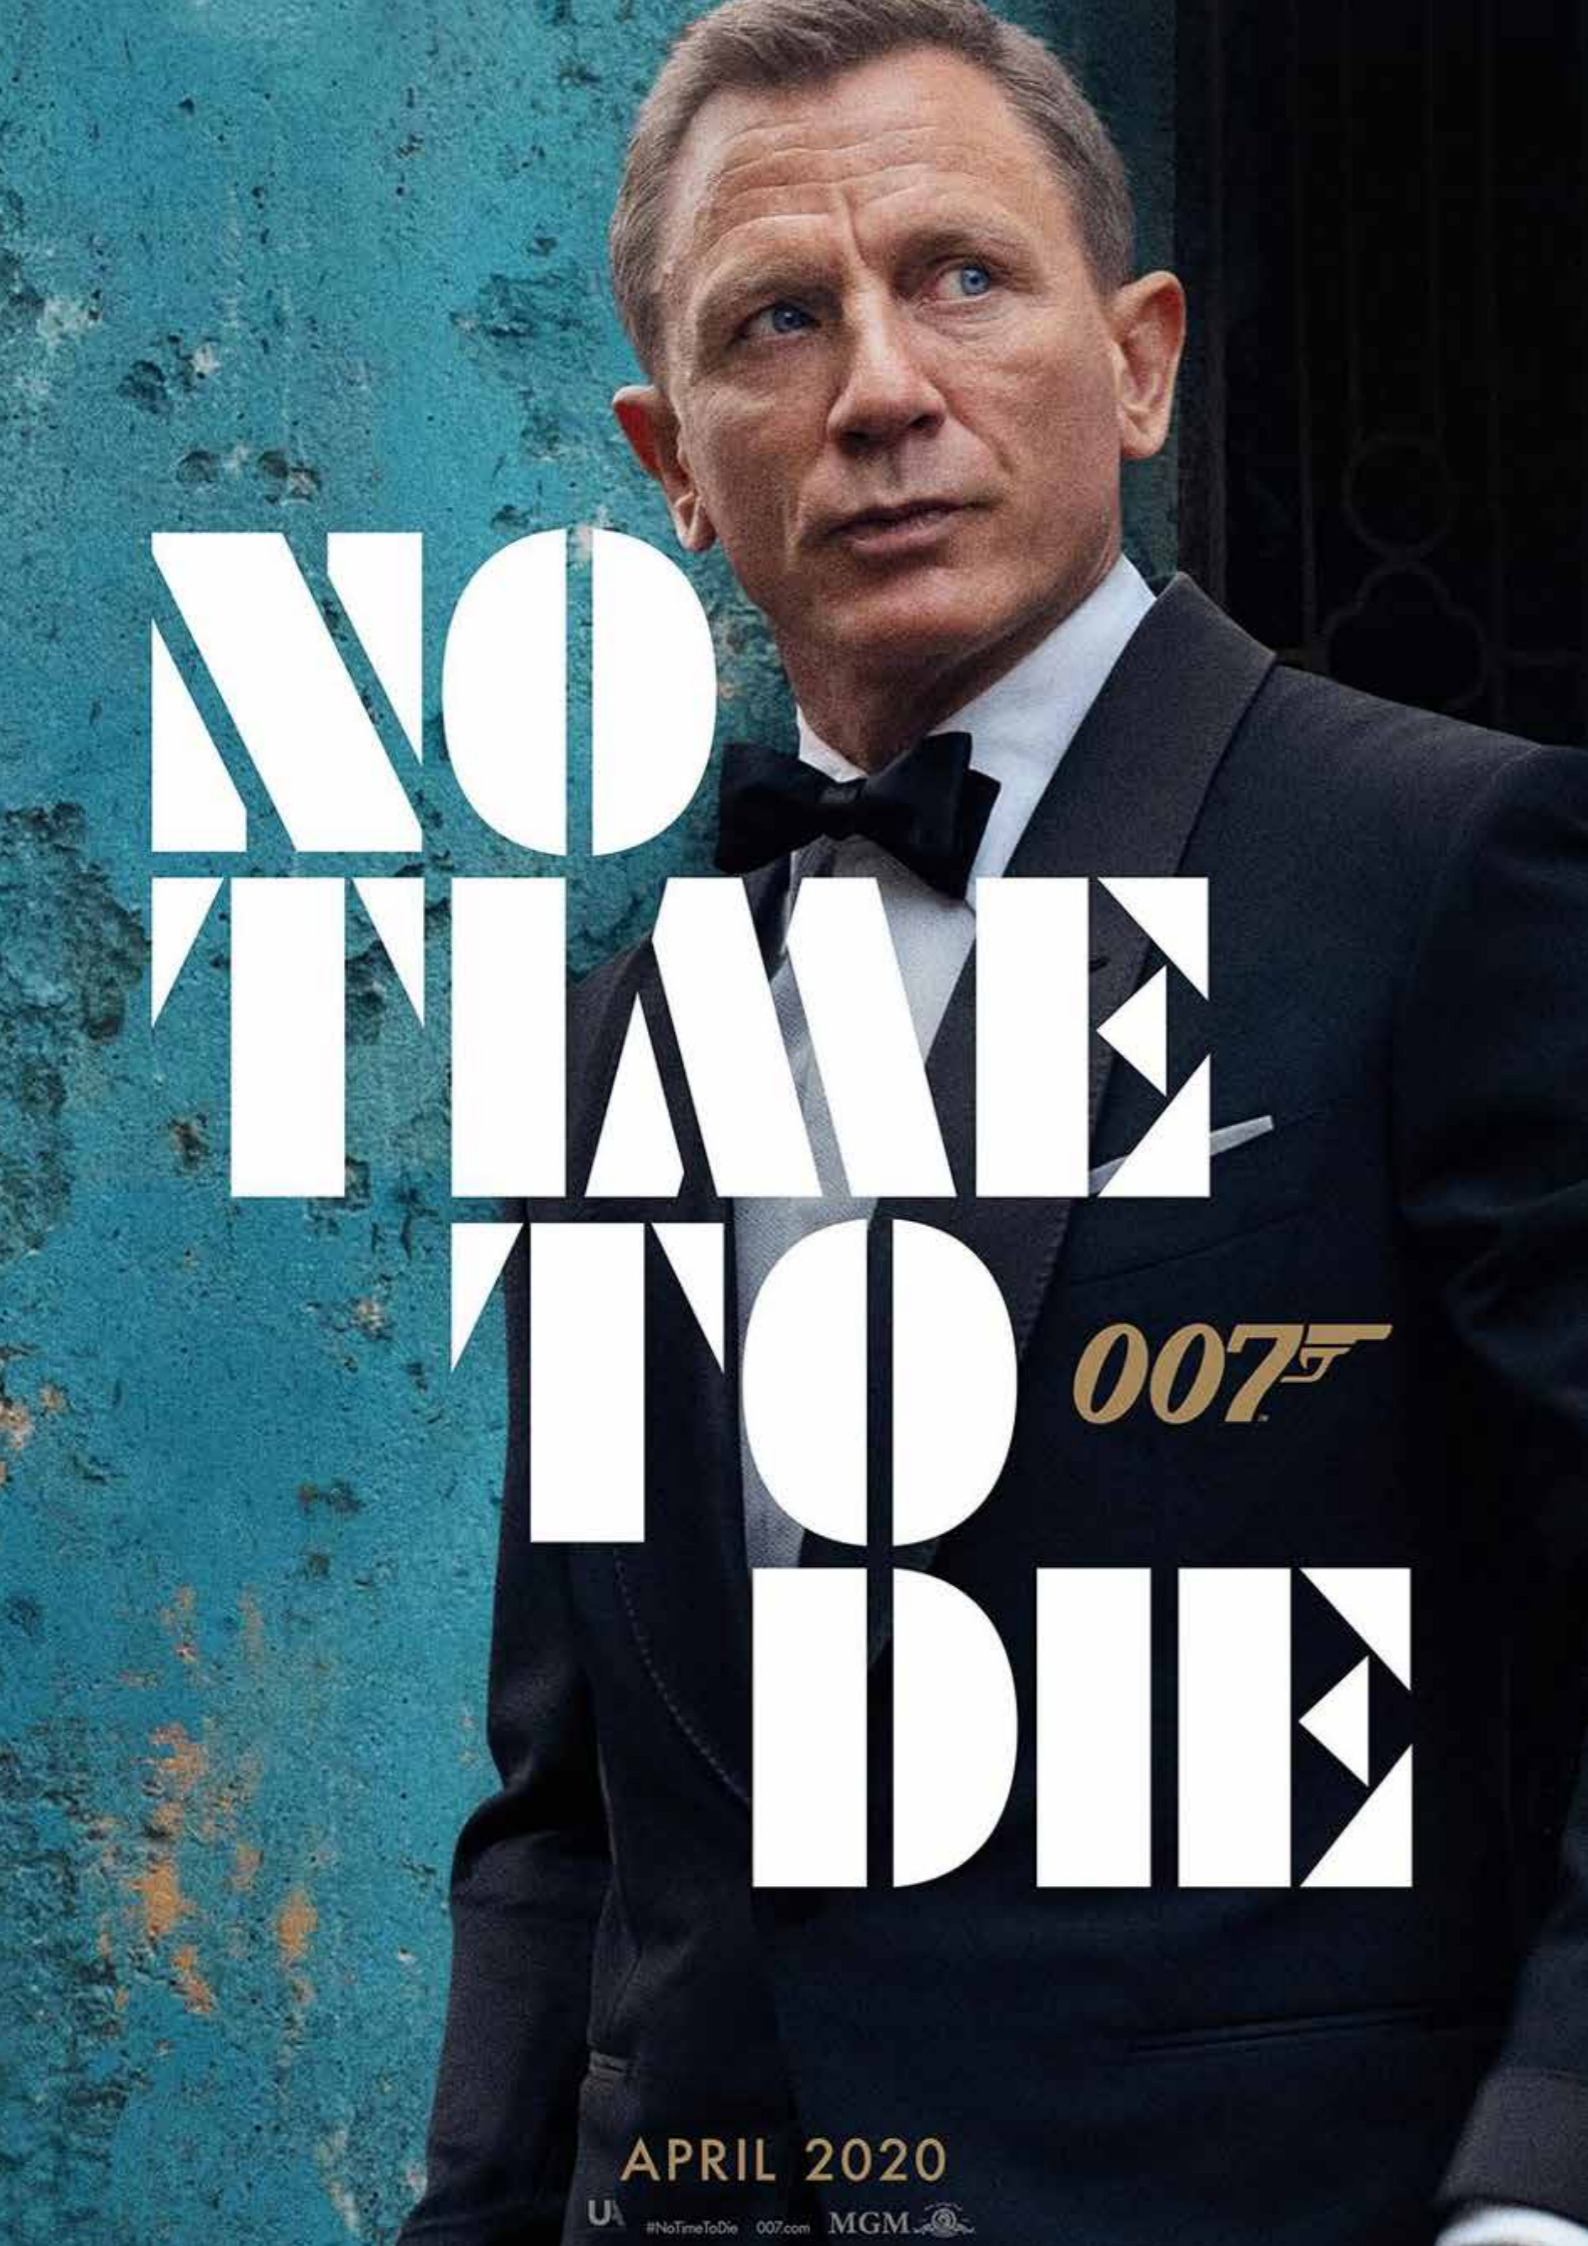

Over the last 25 years, Timothy Everest has worked on a host of TV, film and theatre productions; working seamlessly with wardrobe departments to deliver Bespoke, Made-to-Measure and Ready-to-Wear garments to suit the brief in a timely fashion.

This area of the business operates parallel, but separately, to the Bespoke business; with dedicated tailors and factories on-hand to turn orders around quickly and to the highest standard.

Whether simply making to a brief, helping with designs and cloth selections or sourcing, for leading roles (male and female), stunt doubles, supporting roles or other; period, contemporary or futuristic, for all body types and action scenes Timothy Everest® can help with speedy, accurate and effective production and service, worldwide.
